RESPECTED DESIGN, **RELENTLESS PERFORMANCE.®**

OVC
OHIO VALVE COMPANY

START STRONG PROGRAM

For superintendents and project managers seeking hands-on installation support where it matters most - the job site.

PHASE 1: PRE-DELIVERY ALIGNMENT

- Global & Domestic QA/QC: Our partnership with Industrial Manufacturing Verification (IMV) enforces multi-stage inspections and testing at overseas facilities and our ISO 9001:2015 certified headquarters in Houston, TX.
- Timed Logistics: Coordinated deliveries between project managers and distributors maintain product control and support on-time project requirements.

PHASE 2: ON-SITE INTEGRATION

- On-Site Expertise: Our Field Service Technicians support kickoff, perform inspections, and train mechanical crews on proper installation and best practices to prevent product damage.
- Real Time Support: Get direct access to OVC experts for immediate troubleshooting and installation guidance, minimizing delays and RFIs.

PHASE 3: COMMISSIONING & HANDOVER

- Testing Support: Access on-call engineering support during system flushing and pressure testing.
- Documentation & Sign-Off: We maintain MTRs, factory testing, and compliance documentation to simplify project handover and EOR/facility owner approval.

HOW TO GET STARTED

Scan the QR code below to get started. An OVC Start Strong representative will reach out to answer your questions and coordinate your on-site training.
